JOB REQUIREMENTS:

	JOB REQUIREMENTS
Formal Education/ Knowledge	Work requires knowledge of a specific vocational, administrative, or technical nature which may be obtained with a two year associate's degree, diploma or equivalent from a college, technical, business, vocational, or correspondence school. Appropriate certification may be awarded upon satisfactory completion of advanced study or training.
Experience	Minimum five years of experience in a related field.
Certifications and Other Requirements	Valid Driver's License. Two or more certifications such as Georgia Turf and Arizona Pesticide Applicator's License or similar certifications in a related to field.
Reading	Work requires the ability to read manuals, reports, graphical information, and engineering guidelines.
Math	Work requires the ability to perform general math calculations such as addition, subtraction, multiplication, division, percentages, formulas, factors, and decimals.
Writing	Work requires the ability to write clear, organized technical and analytical memos, letters, reports, operating procedures, and other documents.
Managerial	Semi-complex - Work requires managing and monitoring work performance of a division including evaluating program/work objectives and effectiveness, establishing broad organizational goals and realigning work and staffing assignments for the department.
Budget Responsibility	Significant - Has responsibility for final approval of at least one division budget and presents the budget(s) to Senior Management. Is authorized to approve division budgeted expenditures for both staff and resources up to the amount that requires the approval of Senior Management
Policy/Decision Making	Significant - The employee normally performs the job by following established standard operating procedures and/or policies. There is a choice of the appropriate procedure or policy to apply to duties. More complex work as well as decisions with more significant impacts are typically reviewed prior to being finalized
Technical Skills	Broad Application - Work requires advanced skills and knowledge in approaches and systems, which affect the design and implementation of major programs, solutions for highly complex issues, and/or processes organization-wide. Independent judgment and decision-making abilities are necessary to apply technical skills effectively.
Interpersonal/Human Relations Skills	High - Interactions at this level usually impact the implementation of policies. Contacts may involve interpretation of how policies are implemented and may require discussion and the support of controversial positions or the negotiation of sensitive issues or important presentations. During interactions on policy implementation, contacts may also involve stressful, negative interactions requiring high levels of tact and the ability to respond to aggressive interpersonal interactions.
